

Groupings

Trios

Three students talk with each other.

Or, two students have a discussion while the third observes then summarises and critiques.

Pairs

Talk to your partner.

Nest

Stand apart from each other and whisper your ideas to yourself.

Traverse

Stand in two parallel lines opposite a partner. Change partners by moving one person down to the other end of the line.

Circle

Groups of six or more people face each other in a circle. You can step inside the circle, one at a time, to speak to the whole group.

Fishbowl

Similar to an onion, but the people in the inner circle face each other while the people on the outer circle observe the inner circle's discussion.
