### Voices of Voice 21

We recently asked our team what they enjoy most about working at Voice 21. Below is a selection of their responses:

*“I really enjoy working in an organisation that strives for innovation and is rooted in research of what actually works for teachers in the daily life of a classroom and a school curriculum.”*

*“At Voice 21, there is a strong culture of sharing expertise and this ensures that your voice is valued and ideas heard, no matter your role. Although a lot of the day-to-day work is virtual, relationships are strong. The very purposefully planned in-person meetings help these relationships to grow and flourish, as does the high level of collaboration in teams.”*

*“One of the many things I love about working at Voice 21 are the opportunities for professional development. Working in a small, fast-growing organisation has given me the chance to grow professionally and to expand my skill set in a supportive environment.”*

*“I find it inspiring being part of the Voice 21 team - being surrounded by passionate, mission-driven people makes me want to bring my best every day, because I know that my fab colleagues won't let a good idea gather dust - everything will be snapped up and built into something that helps us make a difference for the students in our schools.”*

*“Since working at Voice 21, I've been invited to take part in multiple projects and tasks outside of my 'core role', because we're encouraged to develop our areas of interest and expertise across the board. It's incredibly refreshing to work for an organisation that sees every employee as a key asset.”*
